### Parish Music Director for St. George's Anglican Church – Ajax, Ontario

#### The Position:

We seek a Parish Music Director to provide leadership for the music ministry at St. George's Anglican Church, Ajax by enhancing the church's liturgies through music, by leading the St. George's Choir, and encouraging congregational singing and musical participation. The Director works in consultation with the Incumbent to execute and implement the musical elements of our Anglican worship and liturgy. This includes, but may not be limited to, providing music for Sunday, feast-day and pastoral worship, empowering and equipping the parish in its musical expression of our faith. The Director will normally play our 3-Manual "Classic" organ or grand piano, as they bring their particular musical gifts to light. The successful candidate will also demonstrate a willingness to learn, grow, and develop as a musician and liturgical collaborator. The relationship between the Parish Music Director and the Incumbent is one of the most important in the liturgical life of the parish. Together, they share a ministry, supporting a hybrid model of church that enables the faithful worship of the congregation and the neighbourhood both in-person and online.

The candidate will be energetic, have a sense of humour, possess excellent leadership and communication skills, and have a broad range of musical talent and knowledge. Excellent interpersonal and team-building skills are required, along with an ability to work equally well with all members of the congregation and ministry team.

#### Our Parish:
